Extension Committee

COLEABALLY Pop-Up IRRIGATION DISCUSSION GROUP!

IREC & GRDC welcomes all involved in the grains industry to the:

Coleambally Pop-Up Irrigation Discussion Group Meeting

Location: Farm 4004 Kook Rd COLEAMBALLY (3.1km down Kook Road)

Date: 20 August 2019

Time: 2.00 pm to 5.00 pm

Guest Speaker: Robert Hoogers & David Troidahl (NSW DPI)

Topic: *Making the Most of Limited Water:
To Irrigate or Not to Irrigate- that is the question!*

With an average of 7% carry over and 6% enhancement from CICL, what is the best option for your limited water? Should you irrigate your winter crop, save it for a summer crop or sell it?

Let Robert Hoogers and David Troidahl supply you with information you need to make the best decision for your business do you go for grain or cut if for hay? Topics include: assessing soil moisture using IrriSAT, do a water budget to work out how long the moisture will last, how many irrigations the crop may need and how much water you will need.

Please RSVP Monday 19 August to IREC:
