IREC & GRDC welcomes all involved in the grains industry to the:

Coleambally Irrigation Discussion Group Meeting

Date: **Tuesday 27th October 2020**

Time: **2.00 pm to 4.00 pm**

Location: **COLEAMBALLY – exact venue to be supplied with RSVP**

Guest Speaker: **Emma Ayliffe**

Topic: **Durham wheat - *pushing 10t/ha with high protein and assessing the impact of irrigation and nitrogen on quality***

From mid-tiller onwards see what impact 3 nitrogen strategies and 3 irrigation treatments have on durum field in Coleambally and discuss the estimated yield potential

Numbers are limited due to COVID-19 restrictions so you **MUST** RSVP!

RSVP Friday 23rd October to irec@irec.org.au 02 6963 0936 or
iva@irec.org.au 0402 069 643
