

Irrigation Research & Extension Committee

IREC FIELD DAY

Wednesday 19 January 2022 | 7.30am - 12.00 noon
IREC Field Station, Stott Road, Whitton

Please join us for an update on trials being held at the IREC Field Station

TOPICS & SPEAKERS

Rice Seeding Rate Trial - Mark Groat (Sunrice)

Cotton Variety Trial - Jorian Millyard and Ella Arnold (CSD)

Irrigation Automation: Water and Labour Savings - Grant Oswald (Padman Stops), Kevin Saillard (Rubicon Water) and Sepp Cuteri (Bidgee Automation)

Smart Sensing and Automation - Dr John Hornbuckle, Dr Carlos Balleste Lurbe and Dr Rodrigo Filev Maia (Deakin University)

Unlocking the Value of organic Amendments - Dr Wendy Quayle and Dr Rakesh Awale (Deakin University)

Managing Farm Dams for Emission and Carbon Benefits - Dr Jackie Webb (Deakin University)

iMap Pests - Kieran O'Keeffe and Shakira Johnson

Weeds Demo - Controlling Weeds around irrigation structures - Emma Ayliffe (Summit Ag)

Cotton Grower Group - Kieran O'Keeffe (CottonInfo)

Incitec Pivot - Jim Laycock

BREAKFAST (Sponsored by PADMAN STOPS) and Coffee Van Available

RSVP ESSENTIAL Friday 14 January, 2022

RSVP 02 6963 0936 | 0418 402 197 | ired@irec.org.au

IREC

Irrigation Research Update

Irrigation Research &
Extension Committee

Tuesday 20 July 2021 | 8.00 - 3.30 pm | Griffith Exies

FREE Update of irrigated research projects

- **Practical Lessons Learnt from the IREC Field Station** - *Rob Houghton*
- **High Input Irrigated Durum** - *Sam O'Rafferty, Summit Ag*
- **The Value of the Final Irrigation in Cotton** - *Heath McWhirter, Summit Ag*
- **Optimising Irrigated Grains - Maximising Yields, which levers do we use?** - *Ben Morris, Field Applied Research*
- **Practical Opportunities for more Cost Effective Weed Management Using Local Collaboration** - *Dr Rick Llewellyn, CSIRO*
- **Genetics and Movement of Fleabane in the Riverina Region** - *Dr James Hereward, UQ*
- **Herbicide Resistance Surveys of Fleabane and Annual Ryegrass in the MIA** - *Dr Rick Llewellyn, CSIRO*
- **Opportunities for Area-Wide Weed Management in the Riverina** - *Dr Kaitlyn Height, UoW*
- **There's Money in Manure, if you know how to use it** - *Dr Wendy Quayle, Deakin*
- **The Influence of Poultry Litter Amendments on Fertilizer N Recovery and Soil Nutrient Availability in an Irrigated Cotton Field** - *Dr Jackie Webb, Deakin*
- **Soil Health Under Poultry Litter Amended and Non-amended Cotton Systems of the Riverina, NSW** - *Dr Rakesh Awale, Deakin*
- **Automated Irrigation as an Enabling Technology for Aerobic Rice** - *Matt Champness, PhD Candidate, Deakin*
- **Soybean or Mung Bean, which is the better option for Riverina growers?** - *Tony Napier, NSW DPI*
- **The Effect of Sowing Time and Irrigation Management on faba beans** - *Tony Napier, NSW DPI*
