Riverina Vegetable Innovation Field Day

When: Wednesday 19 July 2017
10am – 2.30pm

Where: Troy & Jennifer Millard's Farm
86B Hawkins Road Yoogali via Griffith

You will hear about:

- Demonstrations of the Rippa Robot (Robot for Intelligent Perception and Precision Application) in the field
- Use of drones in irrigated vegetable production
- Solar power technologies (including pumping and battery tech)
- Free glovebox guides on managing pest and disease disorders
- Growing vegetable businesses through VegNet

Presented by Salah Sukkarieh (The University of Sydney, Australian Centre for Field Robotics), Dr John Hornbuckle (Deakin University), John Cochrane (Glynncorp Electrical) and Matthew Plunkett (Local Land Services)

RSVP: Tickets available via www.eventbrite.com.au/e/riverina-vegetable-innovation-field-day-tickets-35391723598. BBQ lunch provided.

For further information please contact Matthew Plunkett on 0428 978 390 or email veg.network@ils.nsw.gov.au

Project delivered by Local Land Services via funding by Horticulture Innovation Australia Limited using the vegetable industry levy and funds from the Australian Government.
